- 8-colour Offset Printing

UPRAISING THE DRINKING EXPERIENCE

OFFSET PRINTING

Thrace Group drinking cups **upgrade all liquid contents** with their unique extra clarity, while ensuring an enjoyable drinking experience with their **proven durability**. When it comes to colours, the potential is unlimited: a rich colour palette is available to meet your taste and needs, along with the possibility of **double-colouring** (for different colours inside and outside) or that of combining colour with transparency. Our **8-colour offset printing** guarantees that your logo will be ideally represented on the drinking cup surface, in order to transform it into a **powerful branding tool**.

FIND THE RIGHT DRINKING CUP FOR YOUR NEEDS

Thrace Group large range of cup volumes and dimensions is more than likely to match your requirements. If not, we can provide you with **custom-made solutions that exactly fit your needs**.

PRINTED

Take full advantage of our elaborate **8-colour offset printing**, to add **your logo** and all **desired visuals** on your cups. Thrace Group cups can become a strong marketing tool for your brand, **raising awareness and customer loyalty**.

DOUBLE-COLOURED

Differently coloured on the outside & inside, Thrace Group **double-coloured cups** add a touch of **brightness** with their looks while **maintaining the actual colours of all liquids** as a result of their **white interior**.

COLOURED & TINTED

The ideal solution for every event, Thrace Group cups spread the fun with their wide range of colours. The **colouring potential is unlimited** – just choose and order **any colour that matches your taste and mood**.

SLEEVED

The premium drinking experience: A special film with **multiple printing capabilities & endless variety of designs** is applied on the outer cup to highlight product quality. An exclusive branding tool to tempt all senses, crafted by Thrace Group.

EXTRA CLEAR

Clarity is the ally of colourful & elegant drinks, from special coffees to beers and cocktails. Thrace Cups **upgrade all contents with their extra clarity**, combining **exceptional transparent looks with high performance**.

LIDS

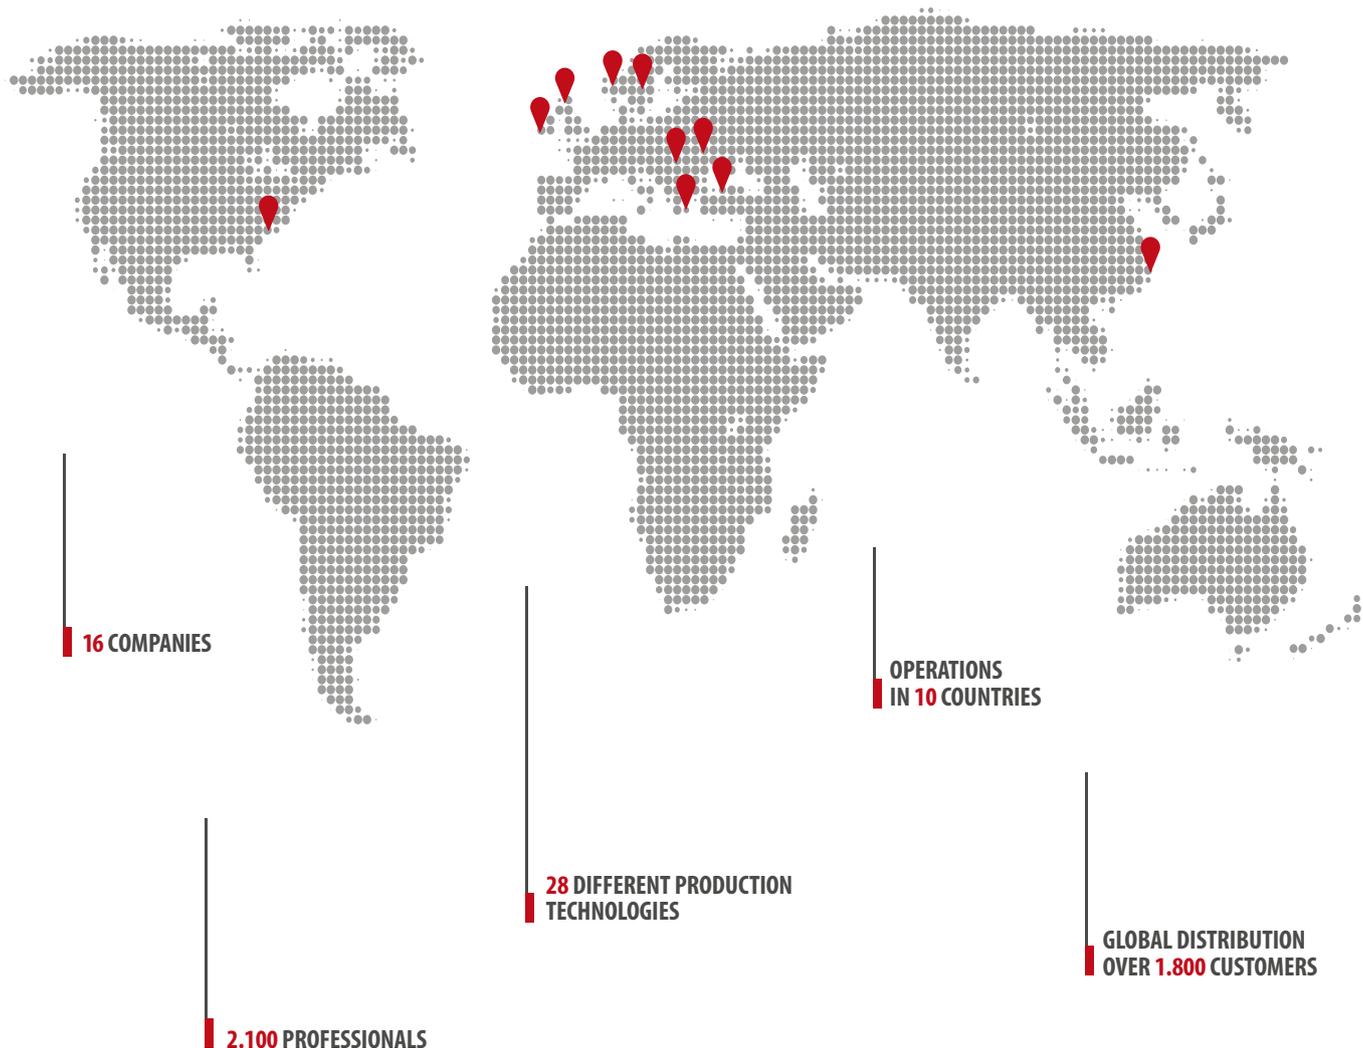

Thrace Group lids are **compatible with multiple drinking cups** and provide regular closure to secure content from outside factors (i.e. dust) while keeping it safe from spilling. The dome lid is **also available with a top hole to accommodate a straw**.
